THE BRISBANE BYLINE

VOLUME II--10th ISSUE--BRISBANE, CALIFORNIA--SEPT. 1st, 1950--5¢ copy--35¢ delivered or mailed.

CITIZENS OF BRISBANE YOUR HELP IS WANTED

UNLESS SIX ENTERPRISING WOMEN IN BRISBANE COMES FORWARD IMMEDIATELY, AND OFFERS THEIR SERVICES AS DEN MOTHERS--CUB PACK #134 OF BRISBANE MUST DISBAND!! UNLESS SOME ENERGETIC AND CIVIC MINDED MAN COMES FORWARD, AND OFFERS HIS SERVICES AS CUBMASTER, CUB PACK #135 WILL DIE! AND UNLESS SOME ATHLETIC-MINDED AND ENTHUSIASTIC MAN COMES FORWARD AND OFFERS HIS SERVICES AS SCOUT MASTER--SCOUT TROOP #134 CANNOT GO ON!---

THE BYLINE HAS BEEN CONCENTRATING SO MUCH ON FINDING THINGS FOR THE TEEN-AGERS TO DO, THAT WE HAVE NEGLECTED ONE OF THE FINEST ORGANIZATIONS IN BRISBANE! SUDDENLY WE DISCOVER THAT THE SCOUTS HAVE NO SCOUTMASTER, AND CANNOT HOLD THEIR MEETINGS, CAMPING TRIPS, ET CETERA, WITHOUT ONE. WE DISCOVER THAT THE PRESENT CUBMASTER IS LEAVING BRISBANE, AND THAT THE ASSISTANT CUBMASTER IS UNABLE TO TAKE ON ADDED RESPONSIBILITIES AT THE PRESENT TIME. WE DISCOVER THAT OUT OF EIGHT DENS, ONLY TWO DENS HAVE CUB MOTHERS AND THE OTHER SIX MUST DISBAND UNLESS SIX OF OUR FEMALE POPULATION STEP FORWARD TO LOOK AFTER THESE FINE BOYS ONE AFTERNOON EACH WEEK. NO TRAINING IS NEEDED IN THIS--YOU JUST HAVE TO LIKE BOYS. THE TRAINING COMES ALONG WITH THE CUB'S TRAINING--AND A LOT OF FUN GOES WITH IT! DON'T LET OUR LITTLE "FELLERS" DOWN, LADIES. SURELY THERE ARE

(continued on page two)

six of you who have sons who are bubs--or who just like boys, and who will hate to see a fine organization disband for the lack of cub-mothers. If you are a housewife, with no outside job--or if you just have a part-time job, and have one late afternoon a week to spare--please get in touch with the Byline, or Mayo Hogue, the cubmaster--or Bud Soward, the assistant cubmaster--or ask any cub or scout--and they will tell you how to become a CUB MOTHER. THIS IS URGENT! PLEASE DO NOT FAIL US!

As for cubmaster--we all feel sorry to lose Mayo Hogue, one of the best cubmasters in the bay area. But it's just one of those things--Mayo and his family are leaving for Salt Lake City, Utah--soon--and so far, there is no replacement for him. MEN, IF YOU LIKE BOYS--OR IF YOU HAVE A SON OR SONS IN THE CUBS--PLEASE COME FORWARD AND OFFER YOUR SERVICES AS CUBMASTER. These little tykes need a strong guiding hand to help them grow into the fine citizens they will become some day--and for most of them, THE EARLY TRAINING THEY GET IN THE CUB PACK MAKES THE DIFFERENCE BETWEEN FINE CITIZENS AND DELINQUENCY!

As you all know, Jack Grabovsky gave up years of his time to the local Scout troop. He put both time and money into the local troop so that our sons could have the benefits the scout troop could give them. Now Jack can no longer go on as Scoutmaster--and a replacement must be found. IF YOU ARE AN ATHLETIC MAN, AND YOU LIKE TO SWIM, HIKE, CAMP OUT, and so forth---THEN, YOU ARE THE MAN TO BE SCOUTMASTER OF OUR LOCAL SCOUT TROOP #134. THIS IS URGENT--YOU ARE NEEDED!

Remember---we need SIX CUB MOTHERS, A SCOUTMASTER, and a CUBMASTER. Surely, there are eight people in Brisbane who can fill these positions. LET'S NOT LET OUR YOUNGSTERS DOWN--LET'S KEEP SCOUT TROOP AND CUB PACK #134 GOING!

AT THE MOST RECENT CUB PACK MEETING:

Assistant Cubmaster gave a very interesting resume of the Soward family trip to Yosemite this summer.

Cubmaster Mayo Hogue introduced Frank Howard, recently appointed Committee Member by American Legion Post #473, Sponsors of the local cub pack.

Bud Soward put out urgent plea for Den Mothers--said six new den mothers needed before January 1st, in order to carry on cub pack. He commended the Den Chiefs on handling the cub dens in the absence of den mothers--but said recruiting of six new den mothers absolutely necessary.

Mayo Hogue gave farewell address, and is finishing three years service as cubmaster. (cont'd above)

George Brady is rounding out fifth year as Committee Member--also finding time to help form and train the drum and bugle corps.

Bud and Jewel Soward, George Brady, Mayo Hogue, and Arlene Pueschel all received certificates of awards for their Cub Leader Training Courses, taken last year--these certificates were awarded by the NATIONAL COUNCIL BOY SCOUTS OF AMERICA. Among the many famous signatures on each certificate, was that of PRESIDENT HARRY TRUMAN, honorary president of the National Council. The signature of ex-president HERBERT HOOVER also appeared on the certificates.

Games were played, and coffee and soda pop were served. This meeting was held in the American Legion Hall, but plans are now to hold future meetings of the bub pack at the schoolhouse, the last Friday of every month. The public is invited to attend the meetings.

HELEN BRADY, temporary den mother of cub den #1, recently took her group down to San Bruno Park for a day of swimming and picnicing. Transportation was furnished by Virginia Woodard, for which Mrs. Brady and the cubs of den #1 are extremely grateful.

"JUST TO BE NEEDED"--

"She always seems so tied" is what friends say--
She never has a chance to get away.
Home, husband, children, duties great or small--
Keep her forever at their beck and call.
But she confides, with laughter in her eyes
She never yet felt fretted by these ties--
"Just to be needed is more sweet," says she--
"Than any freedom in this world could be."

------by Mary Eversley.

"HOW OLD ARE YOU?"

Age is a quality of mind.
If you have left your dreams behind,
If hope is cold--
If you no longer look ahead,
If your ambitions' fires are dead--
Then, you are old.

But if from life you take the best,
And if in life you keep the jest,
If love you hold;
No matter how the years go by,
No matter how the birthdays fly--
You are not old!

----by H. S. FRITSCH.

REPORT FROM THE RED CROSS:

Plans for augmenting the present disaster set-up of the local (San Mateo County) Red Cross to a point where it will be adequate in case of a war disaster in the Bay area were discussed recently at a meeting in the Chapter House at Burlingame. R. C. Pitcairn and J. Howard Walzer, co-chairmen of the Disaster Preparedness for the San Mateo Co. Red Cross called the meeting to consider facts now available. A directive from the National Security Resources Board states in part--"The American National Red Cross has agreed to assist to the extent of it's ability in a program of civil defense in----TRAINING IN FIRST AID; TRAINING in HOME NURSING and NURSES AIDS; PROVISION OF FOOD, CLOTHING, AND TEMPORARY SHELTER ON A MASS CARE BASIS DURING AN EMERGENCY PERIOD; PARTICIPATION IN A WAR-TIME NATION-WIDE BLOOD PROGRAM; MAKING AVAILABLE THE CHAPTER VOLUNTEERS AND RESOURCES FOR PARTICIPATION IN CIVIL DEFENSE ACTIVITIES.

Shelter, Food, clothing and transportation were the topics on the agenda. In case of a disaster, the Red Cross thro H. C. Hall, Shelter Chairman, has arrangements to use all elementary and high schools in the Chapter area, the Cow Palace, Fiesta Building, Tanforan and Bay Meddows Race Tracks. A ten percent evacuation of San Francisco to the Peninsula would mean caring for 70,000 refugee It was decided to secure additional housing facilities in churches, women's clubs lodge halls, and so forth. Figures are being compiled by Hall on the number of refugees who could be adequately care for under existing conditions. Because of 19 scattered communities in the Chapter Area, and the probability that centers of population would be cut off from one another, it was deemed advisable to set up a separate disaster unit in each community, equipped to handle shelter, food and clothing. Many more volunteers are urgently needed to serve on these committees. As soon as key personnel in each community are appointed their names will be published. Anyone wishing to serve may then contact the head of his local unit. Each unit will have a police officer, fireman, nurse, doctor and Chairmen for various services. This unit would thus be able to offer its services to its local government in an emergency. Food plans, as outlined by John W. Leahy, Food chairman, include arrangements to use stocks of all food stores and facilities of all restaurants in the area.

J. E. Francouer, clothing chairman, has arrangements made for procurement of clothing from all available sources. Item would be distributed from prepared central headquarters in quantities request by clothing chairmen of the various units.

Transportation was discussed only as it pertained to distribution of supplie T. Louis Chess is in charge of this phase of the program, which also includes communications.

Others present were Wm. H. Taylor, Jos. Baker, Dr. Henry Brown, E.K. Harrison, Chief W. J. Wisnom, Mrs. Nathan Adler, Mrs. Barney Bristow, Mrs. John Bolton, Miss Jane Taylor--a group from the Calif. Practical & Undergraduate Nurses' Ass'n, District 3, which included Madeline Buchanan, Carolyn Pichler, Norman Lewis, May Biggs and Marguerite Goerke. Frances Taylor, executive secretary of the local chapter, and Mrs. Charles Grigg, Public Information director, were also in attendance.

(The above was submitted by MRS. CHARLES GRIGG, Public Information--SAN MATEO CO. CHAPTER, AMERICAN RED CROSS, 1449 Bellevue Avenue, Burlingame. Diamond 3-4561.)

SURPRISE PARTY ON CAPT. BLAIR:

A surprise birthday party was given for Capt. Blair at his Monterey Street home by his group of Rangers on Friday, August 25th. This was Capt. Blair's 57th birthday--and he emphatically states that HE CERTAINLY WAS SURPRISED!!

The Rangers were ably assisted in their surprise by Mrs. Blair--Mrs. Cozby, and Mrs. Thrasher. Through an error, five quarts of ice cream was supplied, and after three helpings of ice cream apiece--there was still some ice cream left over! Cake, and soda pop also were served.

Capt. Blair wishes to thank the entire company of Rangers; also those others who assisted in the surprise party.

Speaking of Capt. Blair and his Rangers---he and 17 of his fine young boys were present for field training and overnight hike last Sunday night--at the Eucalyptus grove at the south end of the tunnel. Visitors to the camp were Mr. and Mrs. Davis, parents of Pat and Charles Moore---Mr. and Mrs. Thrasher, parents of Dorone and Teddy Thrasher.

BACK IN TIME FOR SCHOOL:

Miss Bonnie Rose, of Sierra Point Road has been visiting friend Audrey Tevini in Monterey, California, where she reports that she had a wonderful time for two weeks--spent swimming, skating, and all the other wonderful things a teen-age girl does on a vacation. But Bonnie says she is glad to be back, in spite of the fact that school opens on Sept. 11th!

HAROLD TIKKANEN BACK ON THE JOB:

By this time many of you have welcomed back your mailman, Harold Tikkanen, of 391 A. San Bruno Avenue--who has been away for three weeks spent traveling with his wife, Lanor Tikkanen. Mr. and Mrs. Tikkanen visited the "Great Stone Faces" of Black Hills, South Dakota, and the Chicago Fair. They also took in the sights at Yellowstone National Park, and visited relatives at Naperville, Ill.

POLICE CHIEF GETS 60-DAY DEFERRMENT:

Our chief of police, Dan Case--is back on the job for another sixty days, at least--he received a deferment because of family committments. To most of us, this is most gratifying--because we did not feel adequately protected with no police protection at all. There had been no plans to replace Case if he had been kept in the Airforce, so far as we know. This will at least give us a chance to find a replacement during Chief Case's absence. WELCOME HOME--DAN!

LOCAL MAN SURVIVOR OF BENEVOLENCE DISASTER:

Merchant Seaman Jimmy Hickman, son of Mr. and Mrs. Roy Hickman of Mariposa Street, was one of the survivors of the sinking of the Hospital ship Benevolence this week. Mr. Hickman lost most of his wardrobe--as his clothes were aboard the ship when it went down.

Most of us here did not realize that the disaster could come so close to us--but many of us remember Jimmy as a young lad--and we feel a happy sense of relief that he was one of the SURVIVORS--.

NEW POLICY IN ADVERTISING:

For the first time in many years, I find myself glad that I "helped out"--for I have received thanks--and in writing--for doing something which will do me and the Byline a world of good, anyway. I am speaking of the lovely little cards that are being sent out, thanking each of us who pledged an ad in the Souvenier Journal, which is to be presented at the Minstrel Show. Since the Minstrel Show is under the sponsorship of the Brisbane P.-T.A., I was not surprised to see the name of Mrs. Roy Edwards, P.-T.A. president--signed at the bottom of the thank-you card. The surprise was in getting "thanked" at all--for something which will do me as much good as an ad in one of the city papers--if not more! If you have not already pledged an ad in the Souvenier Journal, why not look into it? A lot of people will be reading it-----a lot of good could come out of it!

FASHION NEWS:--by Grace Vanderkar.

THE COAT SITUATION IS QUITE VARIED THIS FALL. BOTH FITTED AND SWING STYLES ARE FAVORED, AND THE BELTED TYPE IS BEING SHOWN.

FOR DRESS, GABERDINE, WITH VELVET TRIM, IS PRESENTED IN FITTED TYPES. NAVY IS VERY GOOD. THERE IS A TENDENCY TOWARD PLAIDS FOR SPORTSWEAR. THE TWEEDS ARE ALWAYS WITH US, AND THEY MAKE WONDERFUL "ALL AROUND" COATS. THE SHORT VELVET COATS ARE CUTE, BUT NOT PRACTICAL--UNLESS ONE CAN AFFORD SEVERAL FOR DIFFERENT OCCASIONS.

THERE ARE SOME BEAUTIFUL CHECKED COATS, BOTH IN FULL-LENGTH AND THE POPULAR SHORTY STYLE. CORDUROY JACKETS ARE EXCELLENT, WITH THE CASUAL AND SPORT JERSEY DRESSES. THIS IS DEFINITELY A COAT AND DRESS YEAR.

OF COURSE, SUITS ARE A MUST IN THE WARDROBE, ESPECIALLY IN THE BAY AREA. CHECKS IN SUITS ARE VERY GOOD, AND THERE ARE SOME BEAUTIFUL NEW COLORS IN SUITS--SUCH AS PINK WINE, MINT GREEN, FOREST GREEN, PURPLE, AND SOME DRASTIC SHADES OF RED.

CASHMERE SWEATERS ARE CERTAINLY "IN" AGAIN. FOR THE COLLEGE AND HIGH SCHOOL GIRL--WHAT COULD BE MORE IN VOGUE THAN A CASHMERE SWEATER AND A LOVELY JERSEY SKIRT???

I wish to thank those of you who honored me by appearing at my OPEN HOUSE at Van's Dress Shop on Wednesday Evening. I do hope you were as excited about the new fall shades and styles as I was. Look for more of my fashion and fad chatter next week.----GRACE VANDERKAR.

LOST CAT WALKS EIGHT MILES TO GET HOME:

"Dear Mrs. Reece: One of the two cats you advertised as lost in your paper last week walked home--he arrived at about 5:30 a.m., after walking all of 8 or 10 miles, taking eight days!--all the way from Brisbane to Lake Merced near the ocean in San Francisco. The cat who walked home was the white-faced one, "TOMMY"--but his brother "BLACKIE" is still missing. I am enclosing a snapshot of both cats, in case you can publish their pictures in your paper. In regards to "Tommy"--he had to have courage, because he crossed Alemany Boulevard and Mission Street in order to get home.

Sincerely,
Miss Hartman,
159 Byxbee Street
San Francisco, Cal.

Editor's Note: The cat, "Blackie", who is still missing--was lost in the vicinity of Sierra Point Road over a week ago, and is black and white--a tom-cat. If you have seen such a cat in your vicinity, will you please get in touch with Miss Hartman? I think "Tommy" deserves his brother, after a long walk like that! DON'T YOU????

Applications for the talent show to be held here at the Brisbane Theater, may be obtained from Chris Mentis, Mgr. of the Theater. According to Mentis, he will accept applications up to Sept. 5th--and the contestants must be between the ages of 6 and 18. So far, only three applications have been received here in Brisbane. ----all boys!--What's the matter with our talented girls? Brisbane must have a better showing than this--if we are to be ably represented at the Fiesta this year. We brought home a lovely cup for outstanding representation last year---are we going to pass by the chance to bring home another cup this year???
